

Class Size Policy
(Revised August 2016)

We regard about 26 children as a healthy optimum size for a class.

However, a class may carry a limited number of extra children if:

- (a) the children are a positive influence in the class/school;
- (b) there are siblings applying to classes where there is already space and refusal would prevent the entire family coming to Iona.

We reserve the right to close the class at a number under 26 based on the class teachers discretion.

All applications are subject to the Admissions Policy.

Issue date

This policy takes effect from October 2009.

Review date

This policy will be reviewed and revised by the school manager on an annual basis.
